Dell Pay Credit:

A soft inquiry is used to check your eligibility which will not affect your credit score.

Deferred Interest, Payment Required plan: Interest will be charged to your Account from the purchase date if the promotional plan balance is not paid in full within the promotional period. Minimum payments are required for each Credit Plan. Minimum payments are NOT guaranteed to pay the promotional plan balance within the promotional period. You may have to pay more than the minimum payment to avoid accrued interest charges. Valid for single transaction only. If the single transaction has multiple shipments, each shipment may result in a separate Credit Plan, subject to a separate minimum purchase requirement. Taxes and shipping are not included in the promotional plan minimum spend threshold. Refurbished and/or used purchases do not qualify for promotions. Qualifying purchases will automatically be placed on a promotional plan. If purchase qualifies for more than one plan, it will be placed on the qualified plan with the longest promotional period. As of December 2024, terms for new Accounts: Purchase APR of 30.99%. Minimum interest charge is \$2 in any billing period in which interest is due. Existing Account holders: See your credit account agreement for Account terms.

Account must not be in default.
